

ASTC Travel Passport Program Participants

The Travel Passport Program entitles visitors to free **general** admission. It does not include free admission to special exhibits, planetarium and larger-screen theater presentations nor does it include museum store discounts and other benefits associated with museum membership unless stated otherwise. Acquaint yourself with the family admittance policies (denoted by "F:") of Passport Program sites before visiting.

PROGRAM RESTRICTIONS:

- 1. Based on your science center's/museum's location:** Science centers/museums located within 90 miles of each other are excluded from the Travel Passport Program unless that exclusion is lifted by mutual agreement. 90 miles is measured "as the crow flies" and not by driving distance. Science centers/museums may create their own local reciprocal free-admission program. ASTC does not require or participate in these agreements, or dictate their terms.
- 2. Based on residence:** To receive Travel Passport Program benefits, you must live more than 90 miles away from the center/museum you wish to visit. Admissions staff reserves the right to request proof of residence for benefits to apply. Science centers and museums requesting proof of residence are marked by **(IDs)**.

CALL BEFORE YOU VISIT TO CONFIRM YOUR TRAVEL PASSPORT PROGRAM BENEFITS.
