**Rocket Building
Family Workshop**

Kopernik Observatory's RocketFest 2010 Rocket Building Workshop!!!

Saturday, June 12, 2010
(3 workshop times to choose from)

Kopernik Launch Control is ready to help you launch your rocket into the wild blue yonder! Rocket building workshops will run every 3 hours starting at 9 am and ending at 8pm. Our experienced staff will help you learn model rocket assembly, engine prep and how to launch your rocket. Send in your reservation to hold a place in the workshop of your choice. We will use Estes Generic level zero kits (the basic level).

Workshops held rain or shine, however, launches may be delayed by weather conditions.

Session A: 9:00am to 12:00pm - launch time 11:00 am

Session B: 1:00pm to 4:00pm - launch time 3:00 pm

Session C: 5:00pm to 8:00pm - launch time 7:00 pm

(Launch rain date June 19 at 1pm)

INFO: This is a family rocket-building workshop. Children must be accompanied by an adult.

WHERE: Kopernik Observatory & Science Center, 698 Underwood Road, Vestal, NY

COST: \$20 per rocket kit (includes one free admission to event)
Additional family members pay \$5 per person admission at door; children 5 and under free (no member discounts for this fundraising event)
