The Kopernik Observatory and Science Center welcomes Girl Scouts for badge and petal workshops and overnight experiences! Workshops are offered periodically and can be arranged on other dates to meet troop needs. Kopernik also offers kits that troops can use to complete badges on their own, with all supplies included.

**First Aid**                                      Brownie/Junior                      Sat. Nov. 21                      10 a.m. to Noon                      \$8 per girl  
Learn how to keep your cool in an emergency and how to treat some injuries, make a first aid kit, and talk with experienced medical professionals! You may also have a chance to see an ambulance up close.

**Entertainment Technology**                      Junior                                      Sat. Nov. 21                      1-3:30 p.m.                      \$9 per girl  
Learn some of the science behind the world of entertainment. Animate your own artwork, explore game programming, design a roller coaster, make your own 3D glasses, and create your own ringtone.

Please circle the session(s) you plan to attend (above).
