KoperniKids
Winter/Spring 2016/17
A Preschool Student
and Parent Program

Join us for the KoperniKids program, a kid-friendly approach to Science, Technology, Engineering, and Math (STEM) exploration designed especially for children 3 to 6 years old. Each session will offer fun, hands-on learning with a different set of activities, experiments, and songs that will encourage your child to participate in the wonderful world of science, technology, engineering, and math.

All in a Winter's Day **Saturday, December 10** **10:30 a.m. – Noon**
Children will create snow, explore properties of ice, make ice-cream, and feel the effects of blubber.

A Visit to the Moon **Saturday, January 14** **10:30 a.m. – Noon**
We will discuss properties of the moon, create a model, and explore reflection and moon phases.

The World of the Dinosaurs **Saturday, February 18** **10:30 a.m. – Noon**
Your child will create dinosaur habitats, make real world size comparisons, explore and create fossils, and hatch a surprise!

Mixing Colors **Saturday, March 18** **10:30 a.m. – Noon**
Children will enjoy various hands-on activities that demonstrate the results of mixing primary colors together. They also will make a book about mixing colors to take home.

Weather **Saturday, April 8** **10:30 a.m. – Noon**
We will learn about cloud types, create storms in a cup, and experiment with wind and air.

In the Garden **Saturday, May 20** **10:30 a.m. – Noon**
What goes on in the garden? Observe real worms, create Insta-worms®, and plant a seed to take home.

Ocean Fun **Saturday, June 17** **10:30 a.m. – Noon**
Explore seashells, compare salt and fresh water, play with magic sand, and more!

Where: Kopernik Observatory & Science Center 698 Underwood Road, Vestal, NY

What to bring: An adult is required to stay with the child during the program

Cost: KOSC Members: \$10; Non-Members: \$12 per session per child (parent/grandparent free)

Questions: Call Kopernik at (607)748-3685 ext. 308 or email: registration@kopernik.org
