**Family
Rocket Building
Workshop**

RocketFest 2017 Rocket Building Workshop Saturday, June 10, 2017

(Three workshop times from which to choose)

Kopernik Mission Control is ready to help you and your family launch a rocket into the wild blue yonder! Rocket building workshops will run every 3 hours starting at 9 a.m. and ending at 6 p.m. Our experienced staff will help you learn how to assemble the model rocket, prepare the engine, and launch the rocket. Send in your reservation to hold a place in the workshop of your choice and to order the type of rocket you wish to build. *Standard* rockets (A or B powered) are suitable for younger children and beginning rocket builders. *Advanced* rockets may have stronger engines (C or D powered) or advance features that are appropriate for those with more experience. See www.kopernik.org for information on the specific models of rockets that will be available.

Workshops are held rain or shine, however, launches may be delayed by weather conditions.

Workshop A: 9 a.m. - Noon
Launch: 11 a.m.

Workshop B: Noon - 3 p.m.
Launch: 2 p.m.

Workshop C: 3 p.m. - 6 p.m.
Launch: 5 p.m.

INFO: This is a family rocket-building workshop. Children must be accompanied by an adult.

WHERE: Kopernik Observatory & Science Center, 698 Underwood Road, Vestal, NY 13850

COST: **Standard Rocket Package: \$30 - includes standard rocket kit and two admissions**
Advanced Rocket Package: \$40 - includes advanced rocket kit and two admissions

Each additional family member pays \$5 per person for admission.

Children 5 and under are free. *There are no member discounts for this annual fundraising event.*

Register online at www.kopernik.org or fill out this form and return it to Kopernik.
