Kopernik Observatory & Science Center (KOSC) invites Scouts to explore the universe and discover the wonders of science, technology, engineering and math through the Merit Badge programs offered at KOSC. These exciting overnight programs feature an indoor sleepover or outdoor campout on KOSC grounds, and a continental breakfast.

PROGRAM: Chemistry Merit Badge Workshop
Scouts are invited to attend Kopernik’s special overnight Chemistry Merit Badge. Scouts will have the opportunity to complete the Chemistry Merit Badge with a focus on chemical reactions, how chemicals are used in industry and how we track them in the environment. Scouts will also learn about the various chemistry careers and the education needed for them. Continental breakfast on Sunday morning is provided.
