We're raising money for Kopernik Science Park (KSP). The Junior League of Binghamton did an amazing job raising over $700K for KSP, but another $40K is needed in order to continue construction. We are now asking community for help. Please remember that your contribution will make an impact, whether you donate $5 or $500. We are very excited to create an outdoor learning facility for our children, playground and STEM educational experience.

We have received a great response from the community so far and are thrilled with your generosity. Impressed with the outpouring support we have received, the Junior League of Binghamton has issued a challenge grant. If we can raise $5,000 by September 30, the Junior League of Binghamton will match it!

Please consider helping out with this project, so we can build a wonderful educational park for our children!

“Play is the highest form of research,” Albert Einstein

**Major donors & Partners** who contributed to the KSP project so far: The Junior League of Binghamton, Kopernik Observatory & Science Center, State Farm Neighborhood Assist Grant, NYS Regional Economic Development Council, The Decker Foundation, M&T Bank, USA – A Community Thrives, IBM.
